

Señorita la Pepita Rosarita Doña ZsaZsa

(music by David Francis; from BARK!, the musical, 2005)

Hola, my name is Señorita la Pepita
Rosarita doña ZsaZsa
this girl is bona fide (unless somebody lied)
purebred Mexican Chihuahua

I come from Mazatlan where everybody's tan
and wear a tiny pink sombrero
I bark and sometimes bite and if you do not like
then you can kiss my derrièro

They call me Pepita
it's true I have small feeta
but I'm one diablarita
I weigh in at seventeen ounce
but it's the attitude that counts, yi yi yi yi yi yi yi yi!

You strum a steel guitaro, I will howl like Charo
I'm a K9 mariachi
I hop about and dance in gold lamé hot pants
by Señor Ferdinand Versace

For a single peso I'll do anything you sayso
merengue or Hava Nagila
or watch me get my jollies with a
for a shot of cold tequila

I'll be your chiquita
your red hot mamacita
I'll stir-fry your fajita
I'm only nine fabulóse inches high
but I got altitude to die, yi yi yi yi yi yi yi yi!

I am the royal queena of a gay cantina

who needs Hollywood or Paris?
my fans all go gaga, collect my sweet caca
just like Christina Aguilera

Some say I'm indiscreeta
uno muy mal perita
so, hombre, pass that margarita!
I may be size point-0-0-0-1
but I'm a half a ton o' fun, yi yi yi yi yi yi yi!

And now a secret please between just you and me
Shhh! I used to be named Pedro
until I learned to sing with electrified G-string
now I'm so-pra-NOOOOOOOO ...! yi yi yi yi yi yi yi! Olé!
